The image displays three overlapping fabric swatches. The top swatch features a repeating geometric pattern of black and white shapes on a light beige background. The middle swatch is a solid light beige color. The bottom swatch features a repeating geometric pattern of black and white shapes on a dark background. Each swatch has a small label with technical specifications.

Col. 19/POLI0100

The image displays three distinct fabric samples. The top sample is a light beige fabric with a subtle, large-scale plaid pattern in shades of blue and tan. The middle sample is a solid, light beige fabric with a fine, uniform weave. The bottom sample is a light blue fabric with a prominent, raised square or waffle-like texture. Each sample is partially folded, showing its drape and texture.
